## Features

**LYCRA®**

Lycra® allows the fabric both to stretch significantly and to retain its shape. Fabrics and garments made with Lycra offer exceptional fit, comfort, freedom of movement and wrinkle recovery.

**OCS Standard blended 75%**

When manufacturing garments of myrtle beach and JAMES & NICHOLSON, the Organic Content Standard is a standard for verifying and tracking the exact content of organically grown materials in a final product. Among other things, the superordinate 'Content Claim Standard' defines with OCS the traceability of merchandise as well as the transparency within the production chain.

Made with 75%
